„Šmigrust“

This word isn't in another language.

Boys go to girls and beat them with a „whip“.

„They make girls healthy.“ At the same time the boys say a poem.

The boys get a lot of sweets for that.

Whip

„Pomlázka“, „karabáč“

Traditional whip is made
of willow wicker.

Bringing Mařena out

Mařena is evil witch or queen of winter.

Bringing Mařena out is symbolic tradition of spring welcoming.

The wooden doll with white dress is thrown into a river or burned in a fire, but it is 30th April.

EASTER AT HOME

People decorate their home, colour eggs and wait for visits.
