krýgl

šutr

ATTRACTIONS ABOUT CZECH LANGUAGE

- No country has such a sharp „ř“ as Czech Republic.
- Czech and Slovak are so similar that we don't need English to speak.
- We use cases. It means, for example:

My friend's name is Eliška.

I can see Elišku.

I talk about Elišce.

Guessing competition

Here you have some animal names and the task is that you have to guess which animal it is.

1. Ovce

2. Had

a parrot

a snake

3. Papoušek

a sheep

Guessing competition
